

ATTENTION MONEY COUNTERS

As of January the first we are now dealing with our new envelopes. These were designed as a community envelop. They will all look the same and say Parish of the Precious Blood. They will no longer have the individual church name. Instead each church has been assigned an account ID that matches the accounting books. Below you will find the church name and two digit account ID number assigned to it.

Location	Location ID
Holy Rosary	11
Our Lady of the Lake	12
Sacred Heart	13
St Catherines	14
St Denis	15
St Josephs	16
St Louis	17
St Marks	18
St Marys	19
St Therasas	20

All of the envelopes will have a 5 digit envelop number on it. The very first two digits identify the site. For example: 12063 is envelope # 63 for site # 12 Our Lady of the Lake Portage. Here's another example 19257 is envelop # 257 for site # 19 or St Marys in Presque Isle. Nothing else has changed for the counting process other than identifying the churches the envelopes belong to.

If you have any question please Call me at 498-2536. Thanks you for all you do throughout the year. It is appreciated.
